**APPLICATION AND DECLARATION OF MARK ZAMORA
FOR APPOINTMENT TO EXECUTIVE COMMITTEE**

I. INTRODUCTION

1. I am the son of two immigrants who fled Castro's Cuba in the early 1960s. I am the first person in my family to graduate from college in the United States, and I fluently read and speak Spanish. My firm represents more than forty plaintiffs in the *Caldwell* matter. I am a trial attorney and a partner in my law firm, and am licensed to practice in Florida and Georgia. My main office is located in Atlanta, Georgia.

2. I have direct and recent relevant experience in complex litigation. Since 2009, I have served on the Plaintiffs' Steering Committee in the MDL known as *In Re Hydroxycut Marketing and Sales Practices Litigation*, (3:09-md-02087-BTM-KSC), and I am chair of the litigation's Discovery Committee. I have led all aspects of discovery involving fourteen defendants in that case. The matter is now in the final stages of settlement.

3. I served as lead counsel in Georgia State Court in a consolidated action known as *Gurley adv. Total Body Essential Nutrition, Inc.* From 2008 until 2013, my firm and I oversaw and directed all discovery, served as lead examiners in more than sixty depositions, litigated the one case to a significant jury verdict, and negotiated a group settlement thereafter.

4. I have served as counsel on the Plaintiffs' Steering Committee in the *In Re: New England Compounding Pharmacy Litigation*, pending in United States District Court in Boston, Massachusetts.

5. I and members of my firm have also taken active roles in other complex litigation matters. We have served as class counsel in several matters, including: *In Re: Chemtura Corporation (Bio-Lab), et. al.* (Plaintiff's Management Committee & Liaison Counsel) and *Beulieu v. EQ Industrial Services* (Steering Committee).

II. CRITERIA FOR APPOINTMENT

(1) Willingness and ability to commit to serve.

a. The firm is committed to this matter and is fully staffed to take on the labor and financial needs that would support my involvement.

(2) Ability to work cooperatively with others.

(3) Access to sufficient resources to advance the litigation in a timely manner.
